Re: Approval of Task Order 312RA-2 Work Plan and Cost Proposal
Bunn Dump
Bunn, Franklin County, NC
ID # NONCD0000312

Dear Mr. Grant:

The Division of Waste Management, Superfund Section, Pre-Regulatory Landfill Unit has reviewed the **May 8, 2014** Work Plan & **June 11, 2014** revised Cost Estimate for the activities associated with preparing RAP (DRAFT) Task Order **312RA-2**. The work plan and cost estimate in the amount of **\$51,609.58** are approved. This letter serves as notification of the approvals and as authorization to proceed with activities associated with the **312RA-2** work plan.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.

Please notify me of the date that field activities are scheduled soon so that the property owners can be notified. If you have any question, please contact me at (919) 707-8347, or zi-qiang.chen@ncdenr.gov. Thanks!

Sincerely,

Zi-Qiang Chen, PhD, Environmental Engineer II
